Step 3: Await Your Invitation Letter

After receiving your offer letter, please be prepared to wait for your invitation letter, which usually takes **20-40 days** to arrive. This invitation letter is crucial for your visa application process. Upon receiving your invitation letter, you will be required to pay **INR 50,000** for visa assistance. We are pleased to inform you that almost **85% of your customer service needs are covered** before your departure.

Step 4: Pre-Departure Seminar

As your departure date approaches, you'll receive an invitation to a pre-departure seminar. This event will include your fellow classmates who will be traveling with you, providing a fantastic opportunity to make friends and connect with your future peers!

Step 5: Post-Departure Instructions

Upon your arrival in your chosen country, you will need to complete a few essential tasks.
